FARMVILLE.

When we remember that there are no longer any little "niggers" in the country to fetch chips, tote water and run errands and no more to work in the fields and do most of all work about the house and the old "mammy" to nurse the children and no cranky queen of the kitchen, we do not wonder that any one wants to move to town. But cheer up, country friends for Mr. Edison promises to place the electric force in reach of any farmer and then wood chopping, water toting, corn cutting, clothes washing, biscuit baking, as well as grass and grain cutting will have come into pleasant pastime, and then you would not exchange your cattle in the country for a brown stone front on Fifth avenue in New York.

Mr. Turnbull is out for congress—Judge Watkins may also enter the race and if the three remain in the field the chances will be in favor of Prince Edward's favorite son. Good and true men are and no matter who is successful we are not going to be much disappointed at Washington.

Thanks to Governor Swanson we were spared the strain of stress of another legislature in our town. Corporations, judge and prosecuting attorney united in asking clemency and upon their request he has so far acted. It could not well have done otherwise.

All corners of our house is filled them to the brim.

Our soldier boys are working for a new armory, and they are entitled to it, but the town can give.

I sometimes lose all patience with the "rising generation" of the negro race, but when I stand in the presence of one of Farmville's full grown cooks, I lift my hat to loyalty and devotion to duty that stirs my profoundest admiration. No soldier on field of battle ever knew more of duty and fidelity than some of these old mammies. Their number is fast passing away and we wonder is the race to be extinct—"Where, oh, where is the mammies."

Mrs. W. S. Wallace is in Norfolk undergoing a treatment for a mortal, but not fatal, case of appendicitis. Hopes of recovery are hoped for.

Mr. T. H. Bruce, one of our most estimable citizens, died in this town last night after a long and painful illness. He was a consistent member of the M. E. church.

Some of the ladies of the town are going to have a leap year party. Evenings at—

Don't neglect your cough.

Statistics show that in New York City alone over 200 people die every week from consumption.

And most of these consumptives might be living now if they had not neglected the warning cough.

You know how quickly *Scott's Emulsion* enables you to throw off a cough or cold.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century, discovered after years of scientific research by Dr. Kilmer, an eminent kidney and bladder specialist, and is wonderfully successful in curing kidney, liver, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are for sale at all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Home of Swamp-Root.
